Notes to the condensed consolidated interim financial information for the six month period ended 30 June 2023

1. General information

e& comprises Emirates Telecommunications Group Company PJSC ("the Company"), formerly known as Emirates Telecommunications Corporation ("the Corporation") and its subsidiaries. The Corporation was incorporated in the United Arab Emirates ("UAE"), with limited liability, in 1976 by UAE Federal Government decree No. 78, which was revised by the UAE Federal Act No. (1) of 1991 (Etisalat Law) and further amended by Decretal Federal Code No. 3 of 2003 concerning the regulation of the telecommunications sector in the UAE. In accordance with Federal Law No. 267/10 for 2009, the Federal Government of the UAE transferred its 60% holding in the Corporation to the Emirates Investment Authority with effect from 1 January 2008, which is ultimately controlled by the UAE Federal Government.

The Federal-Decree Law No. 3 of 2015 ("the New Law") has amended certain provisions of Etisalat Law and new articles of association of Emirates Telecommunications Group Company PJSC (the "New AoA") have been issued. Subsequent to the New Law and the New AoA, Emirates Telecommunications Corporation has been converted from a corporation to a public joint stock company and is subject to the provisions of UAE Federal Law No. 2 of 2015 on Commercial Companies (the "Companies Law") unless otherwise stated in the Etisalat Law or New AoA. Accordingly, the name of the corporation has been changed to Emirates Telecommunications Group Company PJSC. Etisalat Law was further amended by Federal Decree -Law No. 1 of 2021, which increased the Non-UAE nationals ownership cap from 20% to 49% of the Company share capital.

Federal Decree - Law No. 26 of 2020 which amends certain provisions of Federal Law No. 2 of 2015 on Commercial Companies was issued on 27 September 2020 and the amendments came into effect on 2 January 2021 with one-year grace period for the existing companies which are subject to its provisions to adjust their status. e& held a General Assembly meeting on 8th December 2021, which approved all the necessary amendments to the Articles of Association to be aligned with Federal-Decree Law No. 26 of 2020.

Under the New Law and the New AoA: i) Two types of share have been introduced, i.e. ordinary shares and one Special Share held by the Emirates Investment Authority ("the Special Shareholder") which carries certain preferential rights related to the passing of certain decisions by the Company. ii) The minimum number of ordinary shares held by any UAE government entity in the Company has been reduced from at least 60% of the Company's share capital to not less than 51%, unless the Special Shareholder decides otherwise. iii) Shareholders, natural or legal person, who are Non-UAE National may own up to 20% of the Company's ordinary shares, however, the shares owned by such persons / entities shall not hold any voting rights in the Company's general assembly, although holders of such shares may attend such meeting. On 11 October 2018, the Board of Directors of e& approved by circulation to lift the restrictions on voting rights of foreign shareholders so that they shall enjoy the same voting rights of UAE citizens. Accordingly, a special resolution was passed during the Annual General Meeting held on 20 March 2019 to that effect, all required approvals were obtained and all necessary amendments were incorporated in the New AoA to put the afore-said resolution in place. e&'s Board of Directors, in its meeting on 20 January 2021, recommended to increase the foreign ownership limit from 20% to 49% of the Company's share capital subject to the approval of e&'s General Assembly scheduled on 17 March 2021 and the approval of the competent authorities. On 29 August 2021, e& secured the required approvals for increasing the foreign ownership limit in its share capital to 49% and accordingly, the new foreign ownership limits have come into effect.

On 20 September 2021, the UAE Federal Decree Law No. (32) of 2021 was issued and came into effect on 2 January 2022 which repealed the UAE Federal Law No. (2) of 2015. Companies have (1) one year from 2 January 2022 to comply with the provisions of the UAE Federal Decree Law No. (32) of 2021. The Company's annual general assembly approved in its meeting held on 5th April 2022 the amendments to its Articles of Association, in order to be compliant with the UAE Federal Decree Law No. (32) of 2021, and such amendments were also approved by Telecommunications and Digital Government Regulatory Authority (TDRA) via its Chairman resolution No. 18 of 2022 dated 27 June 2022 and published in the Official Gazette No 730 issued on 30 June 2022.

4. Segmental information

Information regarding e&'s operating segments is set out below in accordance with IFRS 8 *Operating Segments*. IFRS 8 requires operating segments to be identified on the basis of internal reports that are regularly reviewed by e&'s chief operating decision maker and used to allocate resources to the segments and to assess their performance.

a) Products and services from which reportable segments derive their revenues

e& is engaged in a single line of business, being the supply of telecommunications services and related products. The majority of e&'s revenues, profits and assets relate to its operations in the UAE. Outside of the UAE, e& operates through its subsidiaries and associates in sixteen countries which are divided into the following operating segments:

- Morocco
- Egypt
- Pakistan
- International others

Revenue is attributed to an operating segment based on the location of the associated companies reporting the revenue. Inter-segment sales are charged at agreed terms and prices.

e&'s share of results from associates and joint ventures has been allocated to the segments based on the geographical location of the operations of the associate and joint venture investments. The allocation is in line with how results from investments in associates and joint ventures are reported to e&'s Board of Directors ("Board of Directors").

b) Segment revenues and results

Segment results represent operating profit earned by each segment without allocation of finance income, finance costs and federal royalty. This is the measure reported to the Board of Directors for the purposes of resource allocation and assessment of segment performance.

c) Segment assets

For the purposes of monitoring segment performance and allocating resources between segments, the Board of Directors monitors the total and non-current assets attributable to each segment. Goodwill is allocated based on separately identifiable Cash Generating Units. Assets used jointly by reportable segments are allocated on the basis of the revenues earned by individual reportable segments.

The segment information has been provided on the following page.

i) Regulatory expenses:

Regulatory expenses include ICT fund contributions required to be paid by the Company to the UAE Telecommunications Regulatory Authority (TRA) at 1% of its net regulated revenue annually.

b) Federal royalty

In accordance with the Cabinet decision No. 558/1 for the year 1991, the Company was required to pay a federal royalty, equivalent to 40% of its annual net profit before such federal royalty, to the UAE Government for use of federal facilities. With effect from 1 June 1998, Cabinet decision No. 325/28M for 1998, it was increased to 50%.

On 9 December 2012, the Cabinet of Ministers of UAE issued decision no. 320/15/23 of 2012 in respect of a new royalty mechanism applicable to the Company. Under this mechanism a distinction was made between revenue earned from services regulated by Telecommunications Regulatory Authority ("TRA") and non-regulated services as well as between foreign and local profits. The Company was required to pay 15% royalty fee on the UAE regulated revenues and 35% of net profit after deduction of the 15% royalty fee on the UAE regulated revenues. In respect of foreign profit, the 35% royalty was reduced by the amount that the foreign profit has already been subject to foreign taxes.

On 25 February 2015, the MoF issued revised guidelines (which were received by the Company on 1 March 2015) for the computation of federal royalty for the financial years ended 31 December 2014, 2015 and 2016 (the "Guidelines"). In accordance with the Guidelines, the royalty rate for 2016 was reduced to 30% of net profit after deduction of the 15% royalty fee on the UAE regulated revenues.

On 20 February 2017, the MoF announced the federal royalty scheme to be applied on e& for the periods 2017 to 2021 ("the new royalty scheme"). According to the new royalty scheme, e& will pay 15% royalty fees on the UAE regulated revenue and 30% royalty fees on profit generated from regulated services after deduction of the 15% royalty fees on the UAE regulated revenue. Royalty fees on profits from international operations shall be considered only if similar fees paid in the country of origin are less than the fees that could have been imposed in the UAE. Consequent to the issuance of the new royalty scheme, clarifications were obtained and correspondences were exchanged between e& and MoF (the "Correspondence").

On 03 January 2022, the MoF issued new guidelines for the computation of federal royalty for the financial years 2022 to 2024 (the "new guidelines") with no changes to the guidelines issued previously in February 2017. Accordingly, there will be no change in the rates for payment of federal royalty by e& in the financial years 2022 to 2024.

The mechanism for the computation of federal royalty payable for the period ended 30 June 2023 was in accordance with the new guidelines and the Correspondence.

The federal royalty has been classified as an operating expense in the consolidated interim statement of profit or loss on the basis that the expenses the Company would otherwise have had to incur for the use of the federal facilities would have been classified as operating expenses.

13. Contingent liabilities

(i) e& and its associates are disputing certain charges from the governmental and telecom regulatory agencies and telecom operators in certain International jurisdictions but do not expect any material adverse effect on e&'s financial position and results from resolution of these disputes.

(ii) In 2010, Pakistan Telecommunication Employees Trust ("PTET") board approved the pension increase which was less than the increase notified by the Government of Pakistan ("GoP"). Thereafter, pensioners filed several Writ Petitions. After a series of hearings, on 12 June 2015 the Apex Court decided the case in the interest of pensioners.

On 13 July 2015, Review Petitions were filed in Supreme Court of Pakistan by PTCL, the PTET and the GoP (together, the "Review Petitioners") against the Supreme Court Judgment.

The Supreme Court disposed the Review Petitions and directed the Review Petitioners to seek remedy under section 12(2) of the Civil Procedure Code (the "CPC"), and to pursue all grounds of law and fact in other cases pending before High Courts. The Review Petitioners have filed the applications under section 12(2) CPC before respective High Courts.

The decision of the Appeals bench of the Supreme Court on 10 May 2018 clarified that voluntary separation scheme ("VSS") pensioners are excluded from any obligation on PTCL to pay them any additional increase in pension. Notwithstanding this development, many retirees, including VSS pensioners, have continued to submit petitions before the Supreme Court. The Chief Justice of Pakistan has decided to bring the matter back for a rehearing by the Supreme Court.

Separately, the Islamabad High Court (IHC) issued a decision on 3 March 2020, in which it upheld the rights of certain retirees ("T&T retirees") to benefit from periodic government increases in pensions and additional benefits, although it also held that the same did not apply to the VSS pensioners.

In response, PTCL and PTET raised an Intra Court Appeal against the exemption granted to the T&T retirees before the Divisional Bench at the Islamabad High Court. On 24 September 2020, the Intra Court appeals were adjourned for consolidation of all Intra court Intra Court appeals before one bench. On 16 December 2020, the Islamabad High Court granted a stay of execution in favour of PTCL and PTET and postponed the case until 14 July 2021.

Islamabad High Court on 2nd November, 2021, has decided that the GOP increases are not allowed to VSS optees, PTC pensioners and to the workmen. To the extent of Civil Servants the Islamabad High Court allowed the GOP increase. However, to the same extent appeal has been filed before Supreme court within the limitation.

The management of PTCL, on the advice of their lawyers, believes that PTCL's obligations against benefits is restricted to the extent of pension increases as determined solely by the Board of Trustees of the PTET in accordance with the Pakistan Telecommunications (Re-Organization) Act, 1996 and the Pension Trust rules of 2012 and accordingly, no provision has been recognized in this condensed consolidated interim financial information in respect of these proceedings.

(iii) Pursuant to the restatement of Etihad Etisalat Company (Mobily) of its 2014 Financial statement, aggrieved shareholders have submitted 94 claims totaling SAR 1.907 billion (US\$508million) against the 2013/2014 members of the Mobily Board (the "Defendants") and Mobily executives (the "Executives"), and these have been filed with the CRSD.

Some of the named Defendants were nominated, by Etisalat to the 2013/14 Mobily Board. Pursuant to such nomination, these individuals are entitled to be indemnified by Etisalat for any loss or damages due to third parties made against them.

The first substantial decision in relation to such claims was issued by the CRSD in November 2020, and subsequently upheld at the Appellate level (ACRSD) in a final and binding decision issued in late December 2020. The decision exonerated the Defendants and found former members of the Mobily executives liable to compensate shareholders for violating article 49a of the Capital Market Law.

This ruling has been reflected in further shareholder cases being dismissed and the CRSD finding that the former members of the board were not liable for any losses claimed by the shareholders.
